

Project #1 - Book Cover

PROJECT DESCRIPTION:

Create a book cover featuring a composite image that goes beyond reality. This can be a futuristic, science fiction, magical, mysterious, or other-worldly.

PROJECT OBJECTIVES:

Create a book cover that breaks the tie between physical boundaries and reality as we know it. The composite it to be created from a minimum of 4 (four) images PLUS a silhouette of the back of a person. Art work will blur the boundaries between reality and the surreal transformed into an unbelievable piece of art that can be intriguing, mystical, magical or disturbing. This is to create a seamless transition of images, lighting and special effects to give the look and feel of a mystical, magical, ethereal image.

Book cover will include the name of the book in the appropriate typeface.

REQUIRED INFO:

Name of the book: You can use an existing name or create one

Author name.

DIMENSIONS:

The final trim size of the book cover is 8.75" X 11.625"

DELIVERABLES:

Submit a matching digital, layered PSD file.
